RECCE ROADBOOK

Questo Road Book è stato rilevato e compilato nel mese di marzo 2026, riportando lo stato delle strade e della segnaletica all' epoca del rilevamento. Ogni significativo cambiamento che avverrà dopo la stampa verrà comunicato dall' Organizzatore con relative Circolari Informative.

Nel caso in cui il transito di una Prova Speciale non fosse possibile, sono stati predisposti dei percorsi alternativi per raggiungere il Controllo Orario successivo, che trovate alla fine di tale fascicolo.

Tracing and editing of this Road Book was carried out in March 2026, reporting conditions of the road and the signals during the tracing. Any significant modifications of the traffic which may arise subsequent to the printing of the road book, will advise by Bulletin.

Should the case arise that a SS becomes unfit or unavailable for use by rally cars , an alternative route to the successive TC has already been established at the end of this book. Without indication, go straight ahead to main road.
