The individual starting time and order for Section 1 will be published on **Friday 24 July at 13:00**.

The organizer reserves the right, in agreement with the Stewards of the meeting to establish the start order for Section 1, on grounds of spectator interest. The start order for subsequent Legs shall be based on the classification according to stage times at the finish of the final special stage of the previous Leg, excluding any time penalties and any super special stage if run at the end of the Leg. For the purpose of enhancing TV coverage, the organizer may request the running order of the cars to be changed at the end of a Leg. The individual starting time and order for Section 3 will be published on **Saturday 25 July at 21:30**. All cars will start at two-minute intervals unless specified otherwise in a bulletin.

12.2 Starting system of special stages

A board with an electronic countdown time system, shown by the second, will be displayed at the start of each SS and will function as follows:

- This board includes 3 lights: Red - Yellow - Green.

- 30 seconds before the start a red light comes on.
- 5 seconds before the start the red light goes off and the orange light comes on.
- At the 0 second the orange light goes off and the green light comes on. At this point the car should start.
- The starting lights system includes a clock synchronised with the chronometer and the start line detection device (photo beam) that will record jump starts. The distance of the jump-start beam and the start line is 40 cm.
- If the lights fail to function the start will be given manually, as mentioned in article 37.3 of the FIA 2019 RR Sporting Regulations with the use of a green starting flag that will be raised after the 5 seconds have elapsed.

12.3 Finish procedure and Prize-Giving

The finish of the rally is at **TC 15A**, located FIUGGI (Holding IN). From TC 15A up to the finish ramp, competitors will be under Parc Fermé conditions and must follow marshals' instructions. This area will be open only to Officials holding the appropriate pass and the Media for interviews. Following the finish ramp competitors will drive their cars to the adjacent Parc Fermé, unless they will be driven to final scrutineering.

For the prize giving the usual procedure will be followed: 3rd / 2nd / 1st overall / 1st team. rest of competitors in the order of their arrival.

12.4 Early check-in at TCs

Following the Italian "Codice della Strada" (Road Rules) prescriptions, early check-in is not allowed at any TC, except **TC6D-Flexi Service OUT**; penalties as per 2020 FIA RR Sporting Regulations will be applied

12.4.1 Maximum permitted lateness

Any lateness exceeding 15 minutes of any individual target time or an accumulative lateness exceeding 30 minutes at the end of each section or of a leg will result in the competitor concerned being considered to have retired at that control and the total penalty accrued for late arrival as per Art. 44.2.10.a) shall be that for 30 minutes lateness. In the case of exceeding the maximum permitted lateness the competitor concerned will be allowed to re-start after the next overnight regroup. The time penalty will be applied from the TC at which the competitor concerned has exceeded the maximum permitted lateness. For all crews which re-start a time penalty will be applied. For every stage or super special stage missed, this time penalty will be 10 minutes

12.5 Promotional Activities

Promotional Activities will be announced as soon as COVID 19 limitations will allow this.

12.6 Official time used during the rally

12.8 Flexi Service

Only crews are allowed to drive cars from Parc Fermé to Flexi Service and return. Both drivers must be present on the car during Road Sectors.

12.8.1 Re-start after retirement and penalties

A crew which has failed to complete a section may be assumed to re-start the rally from the start of the next section following the overnight regroup unless they confirm otherwise with the Clerk of the Course. Any crew which has retired from a section on the last day of the rally will not be classified. For all crews which re-start a time penalty will be applied. For every stage or super special stage missed, this time penalty will be 10 minutes. This time penalty will be added to the fastest time of the driver's class for each missed stage, which shall include the special stage or super special stage on which the crew has retired. Should retirement occur after the last special stage or super special stage before an overnight regroup, the crew will nonetheless be deemed to have retired on that last special stage or super special stage. If a crew such affected has set the fastest time of its group on that last stage, its own time will be taken into consideration for the application of the time penalty.

12.9 Media Zones

A Media Zone will be established prior to the entrance of the Regroupings, that is **TC3A, TC6A, TC9A and TC12A**.

A Media Zone will be also established before **TC 15A** and the Finish Ramp.
